

JASON MITRE

22 April 1983

STAT

I usually attempt to write a somewhat offbeat letter to each of the participants at a JASON meeting, partly to catch their attention and partly to air some of my frustrations of having to devote too much of my energy to dull, bureaucratic letters. Given what happened to Bob, I seem to have lost my zest for such frivolity when I decided to write you, so please excuse the dryness of this letter.

STAT

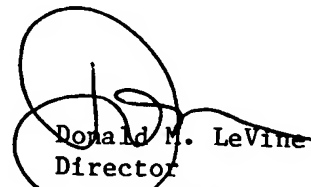

Unless you and I speak again on the telephone, I will assume that you will visit JASON at 1030 on Saturday the 30th of April  I've enclosed a map indicating our location at 1500 Wilson Boulevard, Rosslyn. Please send your clearance to
